

West Liberty Tournament Results: March 7 & 8, 2008

Held at Grace Chapel Church

During blizzard conditions and declarations of multiple-county snow emergencies, debaters and speech competitors battled the elements to compete in West Liberty, OH. Many thanks to the hosting facility, guest judges, parents, and competitors who braved one of the largest single snow storms on record to participate in this event. Everyone worked diligently and went above and beyond normal expectations to make this happen.
